Dear Ayesha Binte Awal,
HR Director
Spring Rain Pvt. Ltd
7th Floor, Commercial Cove, House 56/C, Road 132, Gulshan-1,
Dhaka 1212, Bangladesh.

Dear Ayesha Binte Awal

I hope this email finds you well. Having one year of full-stack web development experience, I am writing to express my interest in the Web Developer position at Spring Rain Pvt. Ltd. I offer myself to provide the technical competence you require for your web developer position advertised on Facebook.

I am delighted to inform you about my expertise and talents in the relevant field. I am an HTML5, CSS3, JavaScript, React.js, Tailwind CSS, Bootstrap, Express.js, Rest API, MongoDB, Firebase Authentication, DaisyUI, and Flowbite specialist. Node.js, Redux Toolkit, Axios, JWT, dev tools, and debugging are all familiar to me. For development, I used a variety of technologies, such as VS Code, Figma, Adobe Photoshop, Canva, Netlify, Vercel, Cyclic, and Windows OS. Aside from those, I am competent in Camtasia Studio, Video Scribe, MS Office, and Google Workspace.
I completed three months training on HTML, CSS, JavaScript, Node.js, and React at Career Development Program in Spring rain Pvt. Ltd. I also completed 'Complete Web Development Course with Jhanker Mahbub' offered by Programming Hero. I was involved in clubbing activities during my university years. I served as Development Head at DIU Computer and Programming Club (January 2021–December 2021), Vice President (Development Wing) at DIU Computer and Programming Club (February 2022–April 2023), and organized several events such as seminars, webinars, workshops, and programming contests. I have volunteer experience in the National Girls Programming Contest 2022. I oversaw their website. For over three years, I worked as a lab assistant in Daffodil International University's Problem Solving, Data Structure, and Algorithms Lab. I am a good public speaker and a terrific leader.

My qualifications make me a solid candidate for the position of web developer at Spring Rain Pvt. Ltd., and I am confident in my abilities. I am excited to contribute to the success of your team by utilizing my technological expertise and problem-solving skills.

Thank you for taking the time to consider my application. I would appreciate the opportunity to explore how my abilities fit with Spring Rain Pvt. Ltd.'s goals and how they can help to ongoing projects. I am available for an interview at any time and can be reached via mail or phone.

I want to thank you once more for your consideration and time.

With gratitude,
Shazzad Hossen
